

SPEECH FROM SCRATCH

You've been invited to speak but the idea of writing a speech makes you want to eat an offal sandwich? BLECH!

Leave your speech or presentation to me while you get on with more important things. Book in early to avoid disappointment.

What is it?

A **Speech from Scratch** is just that. You tell me your topic, your angle and your tone of voice, and I'll write you a speech that ticks all the boxes. It doesn't matter if it's a Ted Talk or the best man's speech at a wedding – I've got you.

Who is it for?

Speakers – for any event or occasion - who don't have the time, skill or energy to put a speech together for themselves.

What do I get?

- A 1-hour Zoom session with me so I can get across your topic, your perspective, your tone of voice and the speech parameters.
- A complete draft of your speech with all required research done and referenced for your peace of mind.
- Two rounds of revisions so we get it just right.
- A free practice session if you want to test it out on a live person.

What do I need to do?

Just send an email to hello@nyreeslatter.com.au and I'll book you in to my first available speech from scratch spot. I'll send you a link to book in our Zoom sesh.

What do others say?

I had the pleasure of working with Nyree on a last-minute (tight-deadline) project and can confidently say it was an absolute joy. The speech Nyree prepared was engaging and impactful, and she provided valuable insights that helped enhance the overall message, which made it relaxing and enjoyable to deliver. She is talented, professional and super easy to work with, and I found her guidance and feedback invaluable. I highly-recommend working with Nyree - it will remove a whole layer of stress!
